The Player Progression Academy Announces Summer 2022 Programming

The Player Progression Academy (PPA) announces its Summer 2022 programming options which include soccer and basketball daytime camps along with evening soccer camps for older players. While the ongoing pandemic has impacted our communities, PPA will continue to monitor the coronavirus and remain confident in our abilities to make modifications that focus on running fun, engaging programs.

PPA's Summer Camp programs are designed to foster sport specific skill development, team building traits and athletic intensity for both soccer and basketball players in a safe environment. This year's Camps will begin the week of June 27 and end the week of August 15.

Four weeks of Soccer Day Camp will take place at Sidwell Friends Lower School, while another two weeks will take place at Washington Episcopal School for ages 7-13. Five weeks of Evening Soccer Camp will be held at Sidwell Friends Upper School for ages 11-15. The venue for Hoops Day Camp is currently TBD. Camps Director, Yikalo Tesfermariam is aiming to book locations that remain in the Bethesda/Tenleytown area for three weeks total. Further details regarding the hoops locations will be released by mid-March. Registration for both soccer and hoops camps will open Tuesday, February 28.

Sidwell Campus Vaccination Requirement: Sidwell requires everyone on their campus to be fully vaccinated against COVID-19. Therefore, all registrants that wish to attend this camp location, must provide proof of vaccination to PPA.

The health and safety of the PPA community is our highest priority. PPA follows the CDC, the National Institutes of Health (NIH), and county and state health authorities on responding to the virus.

About the Player Progression Academy (PPA)

The Player Progression Academy (PPA) is a multi-sport youth academy located in the Washington, D.C. metro area with programs for children ages 2-18 years old. PPA's mission is to build a base of fundamental skills necessary for a positive and successful athletic experience, and to translate those experiences into real life lessons that reinforce our values.
